Otvoriće se sledeći prozor prikazan na slici broj 3.

The screenshot shows the Google Account settings interface. At the top left, there is a 'Google Account' logo and a search bar. On the right, there are icons for help, a grid, and a profile picture. A left-hand navigation menu includes 'Home', 'Personal info', 'Data & personalization', 'Security', 'People & sharing', and 'Payments & subscriptions'. The main content area features a pink circular profile picture with the letter 'M', the text 'Welcome, Mate Andabaka', and the instruction 'Manage your info, privacy, and security to make Google work better for you'. Below this are four cards: 'Privacy & personalization' (with a '3' icon and a 'Manage your data & personalization' link), 'Security issues found' (with a shield icon and a 'Secure account' link), 'Account storage' (showing '23% used - 3.48 GB of 15 GB' and a 'Manage storage' link), and 'Take the Privacy Checkup' (with a shield icon and a 'Get started' link). At the bottom, a footer note states: 'Only you can see your settings. You might also want to review your settings for Maps, Search, or whichever Google services you use most. Google keeps your data private, safe, and secure. Learn more' with a help icon.
